## Papa's Pizza, Wings & Things

*Dickie and I would both like to thank you for all that you have done to get our web-page up and running. Your suggestions and ideas have taken Papa's Pizza into a whole new direction. Our customers (locals and tourists) ask for our web-site so they can pull it up when they get home.*

*Last but not least we really appreciate the service after the sale. The follow-up attention you give is just overwhelming! We have gotten more service from your company than we ever dreamed and I just want you to know how much we appreciate it. We look forward to a long and happy relationship with you and your company.*

*Sincerely,*
