Thomas Hogan Travel, Inc.

I have been associated with the travel industry for almost 30 years in a variety of positions including managing an American Express Travel Office for 15 years. When Bill and I decided to retire to the North Myrtle Beach area I became an independent agent associated with Thomas Hogan Travel in Myrtle Beach. I wanted to be able to work from home and set my own hours while still providing my clients with the best customer service possible. My job doesn't end once your travel arrangements are made. I am here for you before, during and after your trip. I will assist you with questions about what to bring, what to expect, what to see and what to skip. After your trip, I'll check to find out about your trip, what you liked and if there's anything I could have done to have made your trip better. Be sure to check my page weekly for travel specials and important information

**I measure my success by your satisfaction!**
